# GREAT OPPORTUNITIES AWAIT

## EXPLORE YOUR FUTURE TODAY!

Dear Parents,

We would like to make use of this opportunity to congratulate and welcome each of our new Grade 5 learners on making it this far on their academic journey. The year of 2021 will prove to be a complete new adventure which will challenge, develop and enable the learners to successfully reaching their goals.

Please take note of a few important things to keep in mind for this year:

All learners will keep their books and stationery at home and only bring the necessary books to school as per the timetable. Learners need to pack their bags and ensure that they have everything they need for the day with them, books left at home is seen as homework not done!

Please supply diaries for the learners and send a water bottle to school daily. Please keep in contact with me for any queries.

Please note that all the stationery and book requirements can be found on our website at [www.sandtonschoolgroup.co.za](http://www.sandtonschoolgroup.co.za). You will also find a link on which you can order the books online.

These few months are the final countdown to the end of your school career so make it count, work hard, stay focused and soar for excellence!

### Requirements:

2 boxes of tissues and wet wipes

2 face masks

1 bottle of hand sanitiser

1 bottle of hand soap

Textbooks can be covered in plastic but please do not cover workbooks as they still need front covers

Please make sure your child has suitable clothes on for sport on a Tuesday, Wednesday and Thursday. Pack a swimming costume, swimming cap and a towel on those days as well.

# OUR DAILY PRACTICE

## WHAT YOU NEED TO KNOW

Our campus opens up at 07h00 daily to accommodate parents who need to be at work early. The school day however, starts promptly at 07h45 when the first bell rings. Learners need to line up and will then be taken to their register classes. It is of utmost importance that learners are not late for school as it disrupts classroom routine. School continues until 15h00 in the afternoon when the daily extra-mural activities start. An extra-mural timetable will be sent out at the beginning of each term, it will outline the possible activities of which the learners should make partake. Monday and Friday pick up time is 14h00. Please ensure that learners bring the correct gear needed to participate in the chosen activities.

Please drive through the main entrance of Sandton Primary to the side gate at the school hall for drop of and pick up.

Each learner will receive a class timetable upon their arrival to school on the first day.

We request that parent pack healthy lunches to school. Sending a water bottle is much more effective as learners can fill the empty bottles up to keep themselves hydrated during the day.

We are extremely excited to welcome the learners back in January 2021 and look forward to the new heights we will achieve as a school.

Sandton School Group

*Soaring to  
Excellence*

# OUR SCHOOL SONG

LEARN IT, KNOW IT, SING IT

1

At Sandton Schools, we work hard every day,  
Help our teachers and our friends, in every single way.

And we all try our best, when we're put to the test,  
And we are rising up above the rest

3

Here at Sandton Schools, read and write every day,  
Doing sports and time to play, and we're paving the way.

Here at Sandton Schools, sing and dance every day,  
We're the best in every way, make the most of today,  
Here at Sandton Schools.

2

We're all different and the same,  
And we can all uplift.

Accepting our failures and we celebrate our gifts.

Our superheroes, our teachers and our friends,

Inspiring us to greatness and the fun that never ends.

4

At Sandton Schools, we think before we act,

Treat each other with respect, we care and that's a fact.

The freedom to express, what we feel deep inside,

Because our school gives us the greatest pride.
