2027 Stationery and Textbook Requirements

Dear Parents and Guardians,

Please find attached the stationery and textbook lists for the 2027 academic year.

Our preferred supplier is PNA Rivonia. When purchasing your items there, please use the discount code “Sandton School Group.”

We strongly encourage you to purchase the prescribed textbooks as soon as possible. Many independent IEB schools use the same books, and shortages can occur across the country. Having the correct textbooks from the start of the academic year is essential for your child to participate fully in lessons.

Thank you for preparing early for the year ahead.

Sincerely,

Nadya Katz
